Life is Worth Living

Heaven is for real and we are called to live the Christian life well so that one day we will all be reunited in the Lord.

7:00 - 9:00 PM
Monday, Nov. 30th
at Sacred Heart

International speaker **Paul J. Kim** shares how God brought unexpected hope and miracles following the death of his five-year-old son Micah. Testimonies of answered prayers through Micah's intercession continue to affirm that life in Christ does not end at death.

As Advent begins, be encouraged by this message of hope, faith, and miracles. Light refreshments will follow.
